

***Cabbagetown Preservation Association  
Volunteer Recognition Award***

*The 2019 Cabbagetown Preservation Association Volunteer  
Recognition Award is awarded to **Timothy Fry**.*

Tim was born in Scotland and immigrated to Canada in 1991. He and his wife Hagit moved into their home on Winchester Street in 1998 where they have raised their now teenage children Daniel and Talia.

Tim is recognized as a member of the Cabbagetown community who has provided his time and energy to the CPA, not only serving as a Board member from 2011-2014 but also contributing his professional skills as a software engineer in support of the *Cabbagetown Preservation Association*. For many years Tim helped develop and support the building and maintenance of websites for both the CPA and the *Cabbagetown People Program*. Even after he was no longer on the Board, Tim was there, hosting the site and rescuing us on the occasions the site went down. He also helped guide the CPA as it transitioned – slowly and hesitantly at times – into the 21<sup>st</sup> century with a new website launched in 2019.

Tim and his family have also contributed to the Cabbagetown community as a result of his keen gardening and cycling interests. Tim and Hagit's front garden on Winchester Street was recognized as a winner of the *Streetscapes in Bloom Award* in 2009. Tim can often be seen in season returning from an early morning ride with the Cabbagetown Cycling Club.

On behalf of the *Cabbagetown Preservation Association*, we acknowledge and thank Tim for his many lasting contributions to the Cabbagetown community.
